Description

The microphone's directionality reduces surrounding noises to focus on exactly what you're filming, ensuring your videos sound clear and intelligible. The 3.5mm jack provides a headphone output for audio monitoring and playback.

The VideoMic Me-C comes with a mic clip to ensure the mic is secure and a furry windshield suitable for filming in outdoor and adverse weather conditions.

The VideoMic Me-C is compatible with most mobile devices that have a USB-C input and are running the latest operating system (Android OS 10 or higher).
