Description

Moments that stay – enhanced wildlife experiences?
CL Companion
The CL Companion turns distant sightings into vivid memories. Whether you're on a luxury safari, an expedition cruise, or a local nature walk – the details you see become the stories you remember. It's more than observation. It's emotional connection.??
Intuitive design that fits your rhythm?
CL Companion
Lightweight, ergonomic and easy to handle – at just 550g, the CL Companion feels instantly familiar. The new bridge improves balance and comfort, while the intuitive layout makes it ideal even for those with little technical experience.?

Effortless viewing. Premium performance.?
CL Companion
With outstanding optics and relaxed visual handling, the CL Companion offers fatigue-free viewing – even on longer tours. Available in 8x30 and 10x30, it’s the perfect introduction to the premium class of binoculars.?
