Description

28MM WIDE ANGLE LENS IN FRAME - EVERY TIME

Grab the whole picture with this handy 28mm wide angle lens. Just point and frame the photo or video you want to capture. You'll be amazed at the simplicity and performance all housed within this Friendly Zoom model.

AUTO DETECTION SETTINGS

ALL SMILES

These are settings that make all the difference in your photos. Easy to use and highly accessible in the camera's menu, simply select ON to engage the Face, Smile and Blink detection features with the FZ55 Friendly Zoom. Then relax and have fun without the worry of missing that perfect shot.

5X OPTICAL ZOOM

GET UP CLOSE

The FZ55 Friendly Zoom offers a generous 5x optical zoom in a slim and compact design. Take this user friendly point and shoot wherever you go and zoom in as close as you need.
