Description

Powerful, Pocket-sized Camera
The pocket-sized compact camera comes with a powerful LEICA DC zoom lens ranging from a wide 24mm to a 720mm focal length* and high-performance 20.3-megapixel MOS sensor mean it's never been easier to make travel moments last forever.

From Wide to Close
When you just can't get closer, the powerful 30x optical zoom of the LUMIX TZ99 helps you get the shot. Featuring a world-famous LEICA DC lens, its powerful zoom offers incredible flexibility, ranging from 24mm-720mm. Perfect for capturing the sights; both near and far.

Bright Results in Low Light
Just because the sun goes down, doesn’t mean your camera has to as well. Keep capturing into the night, with the powerful 20.3-megapixel MOS sensor of the LUMIX TZ99. More detail, more colour and more clarity, even in low light.

Capture the Perfect Moment
The unique 4K PHOTO feature allows you capture the perfect moment by selecting a frame from a video sequence shot at 30 fps and saving it as an 8-megapixel equivalent high-resolution image. Don’t miss those fleeting moments!

180 degree Tiltable for Selfie
Taking selfies is incredibly easy with a 1,840k-dot touch screen monitor that tilts up to 180 degrees.

Instantly Transfer to Your Smartphone
Press the Send Image (Smartphone) button — and it’s done. Bluetooth® pairing makes it oh-so-simple.

USB Type-C® Battery Charging
The camera's battery can be recharged via USB Type-C® according to your convenience.
