#### Description

Removable padded insert to turn the bag from a camera bag to a casual bag.  
Constructed from a choice of 3-layer waterproof canvas or 3-layer waterproof FibreNyte material.  
Real full grain leather.  
Adjustable front pockets and a rear zippered pocket  
Strong leather side patches for mounting of optional AVEA side pockets.  
5 year manufacturers guarantee.  
Made in England.

#### REMOVABLE PADDED INSERT

The flexible padded insert is made from dense, fabric covered, 'closed cell' foam and provides impact protection on all sides, including the lid. Like the bag itself it is flexible front-to-back to allow it to fit slightly bigger gear than its dimensions suggest. ?  
2x vertical dividers and 2x horizontal flap dividers are included and can be attached anywhere inside with Velcro®. ?  
The padded insert can also be removed to turn the bag from a camera bag to a casual messenger bag in seconds.

Most DSLRs (e.g. Canon 5D, Nikon D850, Pentax K1 II) with a small-to-medium lens attached (without battery grip). Plus 2 to 4 lenses (inc a 70-200mm not attached to the camera).
