

Rode VideoMic ME-L Microphone

VideoMic™ Me-L is a high-quality microphone for your iPhone® or iPad® (with Lightning connector) designed to give you incredible audio when shooting video. The microphone's directionality reduces surrounding noises to focus on exactly what you're filming, ensuring your videos sound clear and intelligible. The 3.5mm jack provides a headphone output for audio monitoring and playback. The VideoMic Me-L comes with a mic clip to ensure the mic is secure and a furry windshield suitable for filming in outdoor and adverse weather conditions. The VideoMic Me-L is compatible with all Apple iOS devices with a Lightning port and running iOS 11 or higher.
