Description

Superior Image Quality

Osmo Pocket 4's new 1-inch CMOS and f/2.0 aperture create soft bokeh for dimensional, clear portraits. With 14-stop dynamic range and 10-bit D-Log, it captures rich details and authentic colors, even in high-contrast scenes like the seaside or dusk.

Sharper Views With Lossless Zoom

Enjoy 2x lossless zoom for sharp, clear footage, even from a distance. Simply tap the dedicated zoom button once to switch between 1x and 2x views, capturing each moment just as you imagine.

Ultra HD Slow Motion

Record in 4K/240fps to slow down life's joyful moments, capturing every frame with smooth, sharp clarity.

Good Times, Always in Frame

Compact and portable, Osmo Pocket 4 records everything from family moments to travel adventures, and is ideal for vlogs and live streams. For a life unscripted, you need a tool that's ready.

Stable Footage on the Move

Walk, film, and create effortlessly with 3-axis stabilization. From playing kids to scenic views, Osmo Pocket 4 keeps every moment steady. Plus,

multiple gimbal modes allow for even smoother, silkier camera movements.
